## Decatur High School Marching Band Commitment Form 2012-2013

I \_\_\_\_\_ (student name) understand that my attendance to band rehearsals and performances is mandatory. I understand that when I am absent it affects all other members of the band, and the band is not able to perform at their highest level. I understand that the only excused reasons for absences are:

Family Illness or Death  
Personal Illness (documented by physician)  
Religious holidays and events (Weddings, Funerals)

I understand that my job, homework, and studying are not excused absences.

I am committing to join the DHS Marching Band. I am committing to do my best always, to strive for excellence in all that I do, and to being responsible for my actions. I am committing to working hard for the greater good and I commit to help my fellow bandsmen in anyway that I can. As a marching band member, I will always represent Decatur High School and the Decatur Band well by showing respect to others and by being supportive of other musical organizations in our community.
